MIDDLE DISTRICT OF GEORGIA**

In re:

Administrative Order on
Automatic Dismissal Pursuant
to Section 521 of the
United States Bankruptcy Code

FILED
U.S. Bankruptcy Court

JAN 05 2006

Deputy Clerk
Macon, Georgia

ORDER

WHEREAS Section 521 of the United States Bankruptcy Code prescribes certain information that must be filed by the debtor in connection with the commencement of a bankruptcy case, and

WHEREAS the failure of an individual debtor in a voluntary case under Chapter 7 or Chapter 13 to file the information within 45 days after the filing of the petition will result in automatic dismissal of the case, and

WHEREAS the court's administrative procedure requires the clerk's office to advise the debtor when filings are deficient, and

WHEREAS the sufficiency of the actual documents filed may raise a question as to whether a debtor's case is to be automatically dismissed due to simple oversight,

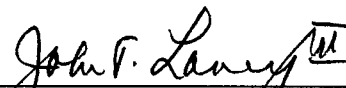

IT IS HEREBY ORDERED AND ADJUDGED that no case shall be automatically dismissed without a written order of the court. It is further ordered that prior to the expiration of the 45 days, the case trustee shall file with the court a

report stating whether the debtor has complied with all filing requirements of Section 521. If the trustee reports that the debtor has complied, the court shall deem all filings required under Section 521 to in fact be complete and the case will not be subject to automatic dismissal. If any required filing is deficient, the trustee shall state either that the trustee will file a motion to dismiss the case or that the trustee will file a motion to decline dismissal due to circumstances justifying any deficiency in information.

SO ORDERED this 5th day of January, 2006.
